

**JAYPEE INSTITUTE OF INFORMATION TECHNOLOGY
(JIIT), NOIDA
DEPARTMENT OF BIOTECHNOLOGY**

Organises

**10th INTERNATIONAL CONFERENCE ON ADVANCES
IN BIOSCIENCES & BIOTECHNOLOGY**

Theme

**Advances in Medicinal Plants and Agricultural
Biotechnology: Translational Perspectives in
Health and Sustainability**

**ICABB 2027
28th to 30th January 2027**

About JIIT :

Jaypee Institute of Information Technology (JIIT), Noida, established in 2001, became a Deemed-to-be University in 2004 under the UGC Act. Approved by AICTE and accredited by NAAC, it is recognized in NIRF rankings and is known for quality education, research, and modern infrastructure.

About Department of Biotechnology:
Established in 2002, the Biotechnology Department at JIIT focuses on innovative, research-based education and addresses global challenges through biotechnology. It offers a strong R&D environment supported by experienced faculty with national and international exposure.

SESSIONS:

**Session 1:
Traditional Medicine and its
Advancement in Healthcare Session**

**Session 2 :
Sustainable Agriculture and
Environmental Biotechnology
Session**

**Session 3:
Medical Biotechnology- Translational
Innovations in Health Care**

**Session 4:
Bioinformatics Approaches and AI in
Biotechnology**

**Session 5:
Nanotechnology for Theragnostic**

ABOUT THE CONFERENCE

The International Conference on Advances in Biosciences and Biotechnology (ICABB) serves as a dynamic platform for researchers, academicians, industry experts, and students to exchange knowledge and share recent advancements in the fields of biosciences and biotechnology, with a special focus on the theme "Advances in Medicinal Plants and Agricultural Biotechnology: Translational Perspectives in Health and Sustainability."

ICABB provides an opportunity to discuss emerging trends, technological developments, and innovative research in areas such as biomedical sciences, environmental biotechnology, sustainable agriculture, bioinformatics, nanotechnology, and related disciplines. The conference aims to promote interdisciplinary research, encourage innovation, and foster collaborations among participants from diverse scientific backgrounds.

Through keynote lectures, technical sessions, and interactive discussions, the conference seeks to bridge the gap between academic research and industrial applications, contributing to the advancement of science and technology for societal benefit in health and sustainability.

Chief Patron:
Prof. S. C. Saxena

Conference Chairperson:
Prof. Pammi Gauba
Prof. Reema Gabrani

Conveners:
Prof. Rachana
Dr. Diwakar Sharma

Registration Date :
Early Bird From: Till 15 June 2026

Abstract submission Starting from:
15 April 2026
